Backup plans

• Great Ocean Road closed or delayed (landslip, works, fire) on 24 Dec (decide by 2026-12-23): VicTraffic and VicEmergency on the evening of 23 Dec · Plan B: Geelong → Colac → Cobden → Port Campbell inland, 166 km, about 2 h 25 (checked); you miss Lorne to Apollo Bay · https://traffic.vicroads.vic.gov.au/

• Catastrophic fire danger day: parks and Cleland close (decide by the evening before each day): Fire danger rating the evening before (CFA in Victoria, CFS in SA) · Stay on highways and in towns; if Cleland is shut on 28 Dec, spend the morning at Glenelg · https://clelandwildlifepark.sa.gov.au/plan-your-visit/opening-hours

• IHG: only Geelong and Adelaide have IHG hotels near the route, so 3 nights are non-brand.

• Hotel prices not checked yet: filter ≤A$350, 1 room for 3, free cancellation.
• Twelve Apostles on 25 Dec: site says open daily; confirm when booking.
• Great Ocean Road works and landslips: check VicTraffic on 23 Dec.
• Hotel desk hours: all arrivals are by 17:15; check anyway.
• Christmas dinner: few places open; self-cater or book in Portland now.
